

Join the StandStrong PT/OT Fall Prevention Referral Network

- Falls are the #1 cause of fatal and non-fatal injuries among adults over 65
- PT/OT can reduce the chances of falling by over 50%
- StandStrong is the only nationwide referral service for fall prevention PT/OT
- Build your practice by helping older adults avoid injuries and stay independent
- Paid for by Medicare and Medicare Advantage plans
- StandStrong provides each PT/OT partner with:
 - Listing on StandStrong website as trained in fall prevention PT/OT with photo, bio, location, and link to your PT/OT practice website (includes SEO/SEM optimization to increase search visibility)
 - Patient referrals from StandStrong via online referral app and StandStrong's toll-free number
 - Use of StandStrong's fall prevention PT/OT marketing collateral for patients and physicians
 - Online PT/OT fall prevention clinical training
 - Coding and documentation training for fall prevention PT/OT
 - At least 10 hours of online CEU credit for clinical, coding and documentation training per year (see below)
 - Regular updates on latest fall prevention research and public and private fall prevention initiatives
 - Access to fall prevention outcomes data from entire network
 - Use of StandStrong's fall prevention patient satisfaction survey
 - Access to patient satisfaction survey results from entire network
- Membership Fee: \$10/month
 - 12-month membership term
 - After initial 12-month term, you can cancel anytime

CEU credit available in all states except ID, LA, OK, MD, NJ, NM and NY
